Project Manager with over 25 years of Production Manager experience creating and delivering high profile Broadcast Television for the benefit of all stakeholders.

PERSONAL STATEMENT

I am a respectful, reliable and passionate individual with a dry sense of humour and appreciation of both the “bigger picture” and management processes to create the required and profitable deliverables.

My strengths lie in people management, collaboration and negotiation with the ability to develop and motivate the project team through interpersonal skills, assessments and team building activities while keeping the project on the critical path, maintaining the company objectives to enable a “win win” scenario.
